

Hanging Dividers.

Hanging Dividers

designed by Aleksandra Hyz & Aleksandra Mętlewicz & Mateusz Gaczkowski

Set of hanging panels that provide privacy, as well as absorb sounds to make the office space more pleasant. Imaginative yet unobtrusive – they are a perfect addition to any shared spaces that need separating into functional zones.

HANGING DIVIDERS

WORKS BEST IN: Open Space

Hanging Divider

KEY CHARACTERISTICS

- Key characteristics
- Two sizes and easy to use mounting system on metal handles that enables easy installation in any office
- 80 colors and 3 categories of felt (synthetic and wool) to choose from
- 3 different patterns and the possibility to use different colors of felt on both sides for further personalization
- Compatible with NanoFelt™ Ag technology for additional microbiological protection with silver particles
- Flame Resistance
- Sound Absorption – Class D

*Divide your space with
Hanging Dividers,
so you can share it in
a more efficient way.*

THE PERFECT FIT

Use different sizes of Hanging Dividers and place them on different heights to easily enhance your space and create zones.

PLAY WITH SENSES

Hanging Dividers product family not only improves the acoustics your space, cut patterns enable you to sculpt with light, and soft to the touch felt creates the feeling of warmth.

All possibilities of Hanging Dividers

- ① **LAYERING IN**
Whenever you need extra privacy overlap two or more Hanging Dividers. If you use panels in different patterns and colors you can achieve better acoustics and a more elaborate design at the same time.

- ② **ARRANGE AND REARRANGE EASILY**
Hanging Dividers come in two sizes to use as a semi-permanent wall or just above the office cabinets. Along with an easy-to-use mounting system it opens up many possibilities to shape the space of your office freely.
- ③ **IMPECCABLE FINISH**
Hanging Dividers may seem delicate and soft, but their layered construction makes them durable. Metal finish on the top and bottom edges helps keep it in perfect shape for a long time.
